

# Girls Golf Meet Ups

Introducing Girls Golf Meet Ups - the perfect chance for girls who love the game to get together. It's all about having fun playing golf and making new friends. If you're 9-14 years old, have a handicap, and you're eager to play more, then these 9-hole meet ups are for you. We know that being part of a community of girls who enjoy golf is pretty awesome, and that's exactly what we're building right here in Canterbury.

Parents, you're invited to be a part of this too as a caddy or supporter on course! We understand that you want the best opportunities for your daughters, and Girls Golf meet ups provide a supportive space for them to grow their skills and connect with others who have similar interests. Let's hit the course after school and have some fun!

If you're unsure if this playing experience is for you, please contact Catherine ([catherine@canterburygolf.co.nz](mailto:catherine@canterburygolf.co.nz)) to find out more.
